### V. Discussion of New Business Agenda

- PS84 Vision Quest: Annual Review of Mission Statement :

#### District 3 Vision :

We commit to creating inclusive and responsive practices and structures that shift mindset, teaching, learning, support, and resources resulting in an equitable learning experience for our diverse learning community. We commit to supporting our teachers and leaders in designing standards aligned, culturally relevant, data-informed, flexible learning experiences that promote independence and interdependence while meeting the academic and social emotional needs of all students. We commit to working towards the elimination of predictable and disproportionate racial outcomes.

#### PS84 Mission Statement:

“The Lillian Weber School strives to provide equity and access for all learners. We give our students the necessary tools to develop critical thinking skills, a strong work ethic, and the sense of **identity and** responsibility that are crucial to creativity and independence in their quest for learning. PS 84 offers students a deep and complex understanding of the world, and teaches them to be respectful and curious about diverse cultures and the planet we share.”

**SLT members agreed to the school statement and no changes should be made.**
